

EMPLOYEE FUEL ACCESS APPLICATION

Use this application to request access for employees to use the campus service stations **in conjunction** with a fuel access device. In order to obtain fuel from the University of Michigan (U-M) Parking and Transportation Services (PTS) service stations, employees must apply for access. Employee access is **not required** for the U-M fleet vehicles owned and managed by PTS Fleet Services.

Certification of Use

I certify that fuel access will be used in accordance with the Access Use and Restrictions stated on the back of this application form. I further understand that Parking and Transportation Services (PTS), University Audits and others may investigate use of this access to confirm compliance. Suspension and/or termination of this access may result in the event of non-compliance. I will notify PTS immediately if access is no longer needed.

Use and Restrictions

- Fuel for U-M authorized vehicles and equipment only.
- Not to be used for vehicles owned and managed by PTS Fleet Services.
- Not to be used by an individual or department to dispense fuel into a personal vehicle or equipment.
- Fuel dispensed into containers will be **certified** portable fuel containers legal for the transportation of fuel.

Compliance

Parking and Transportation Services, University Audits and others may investigate use of fuel access to confirm compliance. If non-compliance (misuse) is found, the administrator will be notified and further access may be suspended or terminated. In addition, if a staff member is found to be using this access for personal use, the matter may be turned over to the Department of Public Safety, University Audits and Human Resources.

Note

Employee access is not required for the U-M fleet vehicles owned and managed by PTS Fleet Services. The U-M fleet is equipped with a Vehicle Identification Unit (VIU) which will automatically provide access to the U-M PTS service stations for fuel.

Access to the campus fuel system is a two part process. This application will provide access to an employee to use the U-M PTS service stations for fuel. In order to obtain fuel, a fuel access device for a U-M authorized vehicle or container will be required **along** with employee access. Fuel access devices are requested on the FUEL DEVICE APPLICATION.
