## Disability Parking

The University campus is accessible to all people. Accessible parking is provided in University lots and structures as follows:

- Faculty, Staff, Temporaries & Students**  
To use handicap-designated parking during enforcement hours, your vehicle must display:
- a state-issued Disability placard
  - applicable U-M parking permit or device
  - a U-M Handicap Verification permit
- Although the University has a strict criteria on whom may purchase a U-M parking permit, it is waived for disabled faculty, staff, temporaries and students who possess a state-issued placard. For assistance in obtaining the proper U-M permits, contact Parking Customer Services at (734) 764-8291 or [umpark@umich.edu](mailto:umpark@umich.edu).

**Guests & Visitors**  
Accessible parking is available in all metered and cashier-attended parking areas. A state-issued disability placard/license plate must be displayed. Payment of the prevailing hourly parking fee is required, unless the individual's state-issued disability placard/license plate has a special "Free Parking" decal.

If a guest or visitor wishes to park in the University's Blue, Yellow or Orange parking areas during enforcement hours, they may contact the U-M department hosting their visit for assistance or contact Parking Customer Services at (734) 764-8291 to purchase a daily parking permit.

**Patients**  
Accessible parking is available in all patient parking areas. The prevailing hourly fees apply. The only exception is for individuals with a "Free Parking" decal affixed to their state-issued disability placard.
